BRIEF SUMMARY

An enthusiastic engineering fresher with a strong self-starting attitude and a passion for using technical skills to drive organizational growth. Highly motivated individual proficient in Java, Spring Frameworks and Devops technologies. Seeking an opportunity to contribute to a dynamic and innovative environment, leveraging my technical expertise and dedication to continuous learning and improvement.

KEY EXPERTISE

Java   Spring Boot   AWS cloud   Docker   Kubernetes   CI/CD pipeline   AWS Cloudformation   Terraform   SQL server

Azure Devops   Grafana   Reactjs   Java Full stack developement   Workflow   SAST   Jenkins

EDUCATION

MIT Academy of Engineering, Pune	2021 - 2025
B.Tech. - Electronics and Telecommunication Engineering | CGPA: **9.23** / **10**	

Bh Chate Junior College, Pune	2021
12th | HSC | Percentage: **94** / **100**	

Shri Mulika Devi Vidya Mandir, Nighoj, Parner	2019
10th | MSBSHSE | Percentage: **90.60** / **100**	

AWARDS AND SCHOLARSHIPS

- Ranked 1st for Academic Excellence in the Department of Electronics & Telecommunications with a GPA of 9.22 during the academic year 2023-24.

INTERNSHIPS

Effigo Global | IT / Computers - Software	06 Jan, 2025 - Present
Product Engineering Intern	

Key Skills: Java full stack developement   ReactJS   Workflow   DevOps

Product Engineering Intern

Allvue Systems | Banking / Financial Services / Investment	20 Aug, 2024 - 20 Nov, 2024
Software Engineering Intern	

Key Skills: Azure DevOps   SQL Server   Azure Cloud   Grafana

Designed and implemented automated build and release pipelines in Azure DevOps, utilizing Azure Repos for source control management.
Integrated Static Application Security Testing (SAST) using the Mend tool to ensure secure and compliant code.
Managed deployment infrastructure with Azure Virtual Machine Scale Sets (VMSS) to achieve scalability and high availability.
Monitored pipeline performance and system metrics using Grafana, improving operational visibility and troubleshooting efficiency.

Hirademy Technologies | IT / Computers - Software	17 Jun, 2024 - 06 Aug, 2024
Devops Engineering Intern	

Key Skills: DevOps   Docker   Automation   AWS

As a DevOps Intern, my primary responsibilities include deploying and managing web applications using modern cloud and containerization technologies.

PROJECTS

Deploying and Managing Web Application using Docker and Kubernetes.
Team Size: 4

Key Skills: Kubernetes   Docker   Spring Microservices   Ubuntu

Kubernetes and Docker-based Application Deployment Deployed and managed web applications in a physical Kubernetes cluster environment. Utilized Docker for containerizing applications and integrated Spring Microservices for backend functionality.

Student Portal (Academic Nexa)
Team Size: 3

Key Skills: Spring Microservices   ReactJs   MySql Database

Project Link: https://main--academicnexa.netlify.app/studentdashboard

Developed an ERP system using Spring Microservices and ReactJS for teacher-student interactions.

Banking System application
Team Size: 2

Key Skills: Spring Boot   ReacjJs   MySql

Project Link: https://kunalbank.netlify.app/home

Developed an Online Banking System application for online transactions using Spring Boot REST APIs and ReactJS for the frontend.

Flowable Workflow Engine with Spring boot

Key Skills: springboot   java   postgres   flowable workflow

Designed and implemented workflows using Flowable Workflow Engine, automating various business processes.
Integrated Flowable with Java Spring Boot and Keycloak for secure authentication and role-based access control.

ASSESSMENTS / CERTIFICATIONS

Microsoft Azure AZ900
Aggregate: 835 / 1000

Key Skills: Azure Cloud Fundamentals

AWS Academy Cloud Foundations

Key Skills: AWS Architecture   AWS Cloud   AWS Support   AWS Core Servies   AWS Pricing

Oracle Certified Foundation Associate   01 Sep, 2024

Key Skills: Oracle Cloud Fundamentals

Complete Microsoft SQL Server Masterclass: Beginner to Expert

Key Skills: SQL Server   SQL Server Management Studio

CO-CURRICULAR ACTIVITIES

- IEEE Member, Student Branch, Bombay Section : Actively participated in IEEE events, workshops, and seminars.

PERSONAL INTERESTS / HOBBIES

- Driving: Enthusiastic about exploring new routes and destinations.
- Exercising at the Gym: Regularly engage in strength training and cardio workouts.
- Walking: Enjoy regular walks .
